The wise warrior allows his opponents to approach and reveal their weaknesses before striking when they are most vulnerable. Don't underestimate the power of slashes, kicks and impaling maneuvers. Although the temptation to hit with powerful chops is great, it can be more effective especially in later fights to carry your enemy down with multiple blows than going to kill him fast. Effective against even the most cunning enemies, jump attacks make excellent combo openers, allowing you to deal massive damage. Beware of their drawbacks, however; your samurai will be exposed for a few moments as he flies through the air. Play like Kuroko: ----- Play Kuroko, the judge, make the following: 1. Start a two-player game. 2. Move the selector in the following directions. Up, down, left, up, down, right, then press a selection button. 3. You should appear as Kuroko.
